TRIP CANCELLATION COVERAGE

This policy covers you in the event of an unexpected and unforeseeable event, or a sickness/injury to you or someone in your immediate family.

The coverage must be purchased with final payment for the tour. Downhill Riders Ski & Travel Co. Ltd. offers this coverage in the event that you have to cancel your tour package prior to your scheduled departure date.

In the event that you must cancel your tour package due to one of the covered risks listed below, and you furnish the applicable supporting documentation, you will be reimbursed up to the sum insured of the total prepaid amount of your package less coverage fee. You must notify Downhill Riders Ski & Travel Co. Ltd. of your intent no later than the 1st business day following the cause of cancellation or two hours of notification prior to departure.

The following is a list of **coverage risks** that are covered in this cancellation policy:

- The emergency medical condition of yourself or immediate family member
- The complication of your pregnancy within the first 28 weeks of pregnancy or complications following the normal full term berth of your child
- The death of yourself or an immediate family member
- A transfer by the employer with whom either you or your spouse is employed with which requires the relocation of the principal residence
- The involuntary loss of your or your spouse's permanent employment
- Any natural disaster that renders your principal residence uninhabitable
- The quarantine or hijacking of you, your spouse or your child
- You, your spouse or your child being subpoenaed for jury duty, called as a witness or required to appear at a court proceeding.

Please note the following **exclusions** of this policy listed below:

- There is no coverage when you are aware, at the time of purchasing the policy, of any reason that might prevent you from travelling
- Any pre-existing medical condition
- Your intentional self injury or your attempt to commit suicide whether you are sane or insane
- Your commission of a criminal act or your direct or indirect attempt to commit a criminal act
- Any emotional or mental disorders unless you are hospitalized
- Any abuse of medication, drugs or alcohol or any non-compliance with prescribed medical therapy or treatment
- Any non emergency medical treatment
- Pregnancy or any complications thereof occurring 9 weeks before or after the expected delivery date
- Your participation in rock/mountain climbing, sky-diving, bungee jumping or motorized race or speed contest
